

**Department of: oral and maxillofacial
Radiology, Mashhad University of
Medical sciences (MUMS), Mashhad, Iran**

Specialty:

Scientific Level: professor

First name: Mahrokh

Last name: Imanimoghaddam

**Address: school of Dentistry, Mashhad
university of Medical sciences.**

Work (Address for correspondence):

Tel: +98-511-8829501-15

Office: +98-511-8829501-15

Fax: +98-511-8829500

E-Mail: ImaniM@mums.ac.ir

Educational background:

Level	Description	University	Years	Thesis
DDS	Graduated in General Dentistry	Mashhad Dental school	1989	Sinusitis with Dental origen
MS	Post graduate as oral radiology specialist	Tehran Dental school	1993	Sialography and sonography sialolithiasis
Board certification	Oral radiology	Tehran Dental school	1994	

RELEVANT WORK EXPERIENCE:

Place	Position	University	Years	Description
Department of oral Radiology	chairmanship	Mashhad dental school	1996	

Mashhad dental school	Member of council of writings	Mashhad dental school	1998-2001 2009-	
Department of oral Medicine	Vice-chairman, Dept of oral medicine	Mashhad dental school	2000	
Mashhad dental school	Member of searching council	Mashhad dental school	2003-present	
Mashhad dental school	Supervisor of under graduate student	Mashhad dental school	2003-present	
Ministry of Health	member, strategic committee	Tehran	2006-2008	
Mashhad dental school	President of post graduate student of oral radiology.	Mashhad	2000-2012	

TEACHING EXPERIENCES:

Level	Position	University	Years	Description
MS	Member of scientific council	Mashhad dental school	1993-1994	Teaching for undergraduate student
Assistant professor	Member of scientific council	Mashhad dental school	1994	undergraduate and post graduate student
Associate Professor	Member of scientific council	Mashhad dental school	2008-	undergraduate and post graduate student
Professor	Member of scientific council	Mashhad dental school	2013	undergraduate and post graduate student

Research Interests:

Interest Item

- Ultrasonography in oral regions.
- Diagnostic Imaging of TMJ Disorders.
- Diagnostic Imaging of salivary glands disease.

Current Researches:

- 1- Determination of characteristics of salivary gland tumors by color Doppler sonography and MRI and comparison with surgical histopathologic findings.
- 2- Correlating carotid artery calcification detected by panoramic ultrasound.
- 3- Evaluation of Demirjian method accuracy in determinig the chronological age of 6-13 year old children.

B. Books :

<i>Authors</i>	<i>Title</i>	<i>Year</i>	<i>Publisher</i>	<i>ISBN</i>	<i>Keywords</i>
Imanimoghadam.M, Talebmehr.M	Last limited in Dentistry	2006	samat		

C. Abstracts (in journals) :

<i>Authors</i>	<i>Title</i>	<i>Year</i>	<i>Journal</i>	<i>Issue No.</i>	<i>Pages</i>	<i>Keywords</i>

Conference Presentations:

Subject	Place	Year
Periosteal Reactions and a case Report. Oral presentation	at 2 nd congress of the Iranian Association of pediatric Dentistry. Mashhad, Iran,	July 16-18,2003
Periapical Radiolucencies. Oral presentation	at 7th international congress of Iranian Association of Endodontists. Mashhad, Iran,	August 13-15,2003
Indication of sialography and sonography. Oral presentation	at Mashhad school of Dentistry. Mashhad, Iran	2003
Trauma and Malignant tumors of maxillofacial region.	Oral presentation of Mashhad school of Medicine, Hospital, Emam Reza,	2002
Accuracy rate of clinical diagnosis of disc displacement without reduction using MRI	DUBAI FDI-Oral presentation	2007 24-27 October
Evaluation of the relationship between skeletal status radiomorphometric indices of the mandible and observed in panoramic radiography in females	9thbiennial Congress of the European Association of Oral Medicine	2008 18-20 september
Comparision of Digital panoramic radiography with spiral computed tomography in determination of bone quantity in implants sites	ECDMFR Istanbul	2010 2-5 June
Correlation OF DIFFERENT METHODS IN DETERMINING SKELETAL MaturATION UTILIZING Cervical VertebraE IN LATERAL CEPHALOGRAM Postre presentation	ECDMFR Istanbul	2010 2-5 June
Evaluation of vertical facial height and morphology of TMJ in skeletal classIII	18th International Congress of Dento-Maxillo-Facial Radiology Hiroshima	2011

Certification / Licensure:
Memberships:

<i>Title</i>	<i>Place</i>	<i>Duration</i>
Attendance in workshop of Educational Technology	Mashad Dental School	1995
Attendance in workshop of writing of Article	Mashad Dental School	2000
Attendance in workshop of writing letter to English	Mashad Dental School	2003
Attendance in workshop of Question design in educational	Mashad Dental School	2004
Attendance in workshop of report writing	Mashad Dental School,	2004
Attendance in workshop of Research Planning	Mashad Dental School	2004
Attendance in workshop of OSCE	Mashad Dental School	2006
Attendance in workshop of Reffernce Manager	Mashad Dental School	2006
Attendance in workshop of scientific writing	Mashad Dental School	2006
Attendance in workshop of Ergonomy	Mashad Dental School	2006
workshop of Strategic Planning in oral radiology	Ministry of Health , Tehran	2007
Attendance in workshop of Strategic Planning	Mashad Dental School	2006-2007

Award, Honors and Distinctions:

<i>Title</i>	<i>Reference</i>	<i>Year</i>
1- Top Article of oral Radiology in Hedayat festival Tehran	<i>Tehran</i>	<i>2003</i>
2- Excellent Academic staff, Mashhad university of Medical	<i>Tehran-Mashhad</i>	<i>2007</i>

Additional Skills:

Computer: Photoshop, ICDL

Language: English
