

CURRICULUM VITAE

Name: **ROOZBEH**

Surname: **RASHED**

Language: **English** (IELTS 8), **French** (DELF A2)

Other skill: Holder of the **ICDL** (International Computer Driving License) Certificate

Cell phone: +98-915-310-8027

Email: **roozbeh_rashed@yahoo.com, rashedr@mums.ac.ir**

EDUCATION:

1996 – 2002: DDS: Faculty of Dentistry – Mashhad University of Medical Sciences (MUMS).

Six years of under-graduate study of dentistry covering two-year study of basic medical sciences as well as all dentistry-related fields including orthodontics, pediatric dentistry, endodontics, periodontics, oral surgery, oral and maxillofacial pathology, oral and maxillofacial radiology, operative dentistry, oral medicine and prosthodontics.

2004 – 2008: MS in Orthodontics following post-graduate training in Orthodontics at Department of Orthodontics of MUMS.

Three years of residency covering all orthodontics-related fields including biomechanics, biomaterials, removable orthodontic therapy, fixed orthodontic therapy, interceptive treatment and orthodontic treatment of patients with dentofacial syndromes or cleft lip/palate.

AWARDS / HONORS:

2002: Ranked third on under-graduate course of Dentistry (DDS) at MUMS

2008: Ranked second on National Iranian Boards Exam for Orthodontics

MEMBERSHIPS:

2008- Now: Iranian Association of Orthodontists

2002- Now: Iranian Medical Association (No: 88418)

2005-2006: International Association for Dental Research (IADR)

EMPLOYMENT/ APPOINTMENTS:

1. **January 2009 – Now: Assistant Professor**, Department of Orthodontics, Faculty of Dentistry, Mashhad University of Medical Sciences
2. **January 2009 – Now: Member of Cleft lip/palate Clinic**, Department of Orthodontics, Faculty of Dentistry, Mashhad University of Medical Sciences
3. **January 2010 – Now: Member of Education Development Office (EDO)**, Faculty of Dentistry, Mashhad University of Medical Sciences
4. **April 2010 – Now: Member of ISO Committee**, Faculty of Dentistry, Mashhad University of Medical Sciences

PUBLICATIONS:

1. Pousti M, Ramezanzadeh B, Salehi T, Rashed R. **Retrospective Evaluation of Facial Soft Tissue Cephalometric Parameters in Adolescents with Normal Occlusion.** International Journal of Orthodontics 2010; 21(2): 15-8.
2. Moradi S, Javidi M, Rashed R, Raziee L. **In Vitro Comparative Study of Conventional Radiography and Root ZX Apex Locator in Determining Root Canal Working Length.** The New York State Dental Journal 2009; 75(4): 48-51.
3. Heravi F, Rashed R, Raziee L. **The Effects of Bracket Removal on Enamel.** Australian Orthodontic Journal 2008; 24(2): 110-115.
4. Rashed R, Heravi F. **Obstructive Sleep Apnea.** Journal of Dentistry, Tehran University of Medical Sciences 2006; 3 (1): 45-56.
5. Heravi F, Rashed R, Abachizadeh H. **Esthetic preferences of the shape of anterior teeth in a posed smile.** American Journal of Orthodontics and Dentofacial Orthopedics 2011; 139:806-14.

LECTURES AND POSTERS PRESENTED:

1. **February 2010: Esthetic Preferences of the Shape of Anterior Teeth in a Posed Smile.** Poster presentation in the 7th International Orthodontic Congress, Sydney, Australia.
2. **February 2010: Smile Analyzer: software for analyzing the characteristics of the**

- speech and smile*. Poster presentation in the 7th International Orthodontic Congress, Sydney, Australia.
3. **May 2009: *The Effects of Bracket Removal on Enamel***. Poster presentation in the 7th International Congress of Iranian Association of Orthodontists, Hamedan, Iran.
 4. **July 2009: *A Review of Space Regaining Methods in the Mixed Dentition***. Lecture in the 8th International Congress of Iranian Association of Pediatric Dentistry, Tehran, Iran.
 5. **August 2002: *An In Vitro Comparative Study of Conventional Radiography and Root ZX Apex Locator in Determining the Root Canal Working Length***. Lecture in the 6th International Congress of Iranian Association of Endodontists, Tehran, Iran.

SEMINARS ATTENDED:

1. **2010: 7th International Orthodontic Congress**, Sydney, Australia.
2. **2009: 7th International Congress of Iranian Association of Orthodontists**, Hamedan, Iran.
3. **2009: 8th International Congress of Iranian Association of Pediatric Dentistry**, Tehran, Iran.
4. **2007: 83rd Congress of the European Orthodontic Society**, Berlin, Germany.
5. **2005: 4th International Congress of Iranian Association of Orthodontists**, Shiraz, Iran.
6. **2002: 6th International Congress of Iranian Association of Endodontists**, Tehran, Iran.

WORKSHOPS ATTENDED:

1. **March 2009: Workshop on Community Dentistry**, Faculty of Dentistry, Mashhad University of Medical Sciences. .
2. **July 2009: An Introduction to Scientific Research Methodology**, Faculty of Nursing and Midwifery, Mashhad University of Medical Sciences.
3. **October 2009: Workshop on Student-Centrism in Education**, Education Development Office, Faculty of Dentistry, Mashhad University of Medical Sciences.
4. **October 2009: Workshop on Contemporary Methods for Clinical Assessment of Dental Students**, Education Development Office, Faculty of Dentistry, Mashhad University of Medical Sciences.
5. **October 2009: An Introduction to Stem Cells and Their Applications in Medicine and Dentistry**, Dental Research Center, Faculty of Dentistry, Mashhad University of Medical Sciences.
6. **November 2009: Workshop on Curriculum and Course Planning**, Education Development Office, Faculty of Dentistry, Mashhad University of Medical Sciences.
7. **November 2009: An Introduction to Iranian Digital Library of Medicine**, Faculty of Medicine, Mashhad University of Medical Sciences.
8. **January 2010: Workshop on Communication Skills in Teaching**, Faculty of Dentistry,

Mashhad University of Medical Sciences.

9. **March 2010: Scientific Writing Workshop**, Faculty of Pharmacy, Mashhad University of Medical Sciences.
10. **May 2010: Workshop on Contemporary Methods for the Assessment of Post-graduate Students**, Education Development Center, Mashhad University of Medical Sciences.
11. **June 2010: SPSS Workshop**, Central Library, Mashhad University of Medical Sciences.

THESIS SUPERVISING / CONSULTATIONS/ JURY:

1. **2009: Retrospective study of soft tissue cephalometric parameters of adolescents with normal occlusion in Mashhad**, Board of Juries, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.
2. **2009: Comparison of morphometric parameters of posed smile before and after fixed orthodontic treatment with and without tooth extraction using Roth bracket system**, Supervisor, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.
3. **2009: Comparison of morphometric parameters of posed smile before and after fixed orthodontic treatment with and without tooth extraction using standard edgewise bracket system**, Supervisor, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.
4. **2010: Evaluation of some anthropometric parameters in 11- to 17-year-old boys of Fars ethnic origin**, Board of Juries, Thesis for Masters in Developmental Biology, Faculty of Sciences, Ferdowsi University of Mashhad.
5. **2010: Histological Evaluation of the effects of low-power laser on orthodontic tooth movement in rabbit**, Board of Juries, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.
6. **2010: Evaluation of different factors affecting dental esthetics and smile attractiveness in orthodontically treated patients**, Consultant, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.
7. **2010: Evaluation of lip morphometric parameters following surgical mandibular advancement for Class II malocclusion**, Supervisor, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.
8. **2010: Comparative evaluation of the effects of fluoride and calcium phosphate in clinical treatment of white spots**, Board of Juries, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.
9. **2010: Evaluation of the effect of several recycling methods on shear bond strength of orthodontic brackets to enamel**, Board of Juries, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.
10. **2010: Comparative evaluation of nickel ion released following corrosion in different archwire-bracket combinations in artificial saliva**, Board of Juries, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.

11. **2010: Evaluation of different surface treatments on microleakage of orthodontic brackets bonded to hypocalcified enamel**, Board of Juries, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.
12. **2010: Evaluation of the effects of immediate versus delayed rebonding of orthodontic brackets on their shear bond strength**, Board of Juries, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.
13. **2010: Effect of changes in divine proportion in beauty perception of smile from frontal view**, Board of Juries, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.
14. **2010: Evaluation of the concentration of nickel ions in fixed orthodontic patients' hair over time using atomic absorption spectrophotometry**, Board of Juries, General Dentistry Thesis, Faculty of Dentistry, Mashhad University of Medical Sciences.

RESEARCH PROJECTS:

1. **2007: "Smile Analyzer": software for analyzing the characteristics of the speech and smile**, designed and produced using a Grant from Mashhad University of Medical Sciences.
2. **2009: The effects of polishing and two different types of bonding adhesives on the characteristics of enamel cracks**. Research Grant from Mashhad University of Medical Sciences.
3. **2009: Evaluation of alveolar cleft repair success in rat by injection of the stem cells derived from human deciduous dental pulp**. Research Grant from Mashhad University of Medical Sciences.
4. **2009: Anthropometric evaluation of craniofacial dimensional changes in 3-10 year-old boys in Mashhad to design growth predictor software**. Research Grant from Mashhad University of Medical Sciences.
5. **2010: Evaluation of different factors affecting dental esthetics and smile attractiveness in patients with different malocclusion seeking orthodontic treatment**. Research Grant from Mashhad University of Medical Sciences.
