

Curriculum Vitae

Family Name: **Ahmadnia**

First Name: **Hassan**

Place of Birth: **Mashhad, I.R. of IRAN**

Date of Birth: **21/03/1967**

Nationality: **Iranian**

Gender: **Male**

Work Address: **Department of Urology, Ghaem Medical Center, Mashad, IRAN**

Home Address: **136 Farhang Lane, Tehran Street, Mashad 91366 – 33866, IRAN**

Tel: **0098-511 -8595880**

Fax: **0098-511-8595880**

E-mail: **ahmadnia2001@yahoo.com**

Educational and Professional Background

- 2004-present Associate Professor of Urology, Mashad University of Medical Sciences, Mashad, IRAN
- 1998-2004 Assistant Professor of Urology, Mashad University of Medical Sciences, Mashad, IRAN
- 1994-1998 Resident of Urology, Imam Reza educational hospital Medical Center, Mashad University of Medical Sciences, Mashad, IRAN
I have been the gold medal winner in national Board of Urology examination in 1998.
- 1986-1994 MD degree : School of Medicine, Mashad University of Medical Sciences, Mashad, IRAN.(Top student { 1st rank }) in 1994)
- 1985 Diploma, Ragaie High School, Mashad, IRAN

Related Professional Activities and Affiliation

1- 1998-present Member , Iranian Urological Association

2- 2001-present Member , Societe Internationale d'Urologie (SIU)

3- 2001-present Member , Middle East Society for Organ Transplantation (M.E.S.O.T)

4- 2001-present Member , American Urological Association (AUA)

5- 2001-present Member , Endourological Society

6-2004 -present Member , Iranian Endorological Association

Papers Presented at international Conferences .

1- Percutaneous Nephrostolithotomy (PCNL) in children.

Paper presented at Millennium International Urology Congress, New Delhi, 3-5 Nov. 2000

2- Percutaneous Nephrostolithotomy (PCNL) in the treatment of Renal Stones.

Paper presented at Millennium International Urology Congress, New Delhi, 3-5 Nov. 2000.

3- Transureteral Lithotripsy (T.U.L) in 1200 patients with lower ureteral stones.

Paper presented at Millennium International Urology Congress, New Delhi, 3-5 Nov. 2000.

4- Familial MIS Deficiency in 3 cases.

Paper presented at Millennium International Urology Congress, New Delhi, 3-5 Nov. 2000.

5- Is ureteral stenting necessary after uncomplicated ureteroscopy and lithotripsy?

Paper presented at 21st world Congress on Endourology and Shockwave Lithotripsy. Montreal ,Canada, 21-24 Sep. 2003.

6- Endoscopic treatment of Ureteral stones: 4 years experience.

Paper presented at 26th Congress of the SIU. Stockholm, Sweden, 8-12 Sep, 2002.

7- Non- medical management of urinary tract stones during pregnancy-5 year experience.

Paper presented at 26th Congress of the SIU. Stockholm, Sweden, 8-12 Sep, 2002.

Paper Presented at Conferences in Iran.

1- Metastasis of Rectum Adenocarcinoma to the Penis and Scrotom in a 17- years-old man. Paper presented at 3rd Iranian Urology Congress, Tehran, March 1995.

2- Evaluation patients with sexual ambiguity.

Paper presented at Symposium of Sexual Ambiguity, Mashad, Jun. 2000.

3- Pervation of Urolothiasis.

Lecture presented at 8th Iranian Urology Congress, Tehran, June 2005.

4- Use of laparoscopy in the diagnosis and treatment of impalpable testises. Paper presented at 9th congress of Iraninan Urological Association, Tehran, June 2006.

5- Evaluation of color Doppler ultra sonography in ureteral obstruction diagnosis and comparison with IVP findings. Paper presented at 9th congress of Iraninan Urological Association, Tehran, June 2006.

6- Percutaneous nephrolithotomy (PCNL) in horseshoe kidneys. Paper presented at 9th congress of Iraninan Urological Association, Tehran, June 2006.

7- Retrocaval ureter : a report on 13 cases. Paper presented at 9th congress of Iraninan Urological Association, Tehran, June 2006.

8- Comparision ultrasonography and IVU in evaluation patients with asymptomatic microscopic hematuria. Paper presented at 9th congress of Iraninan Urological Association, Tehran, June 2006.

Publications :

English papers:

1- Symphysiotomy: A viable approach for delayed management of posterior urethral injuries in children.

J Urol. 2002, 168(5): 2166-69.

2- Transurethral lithotripsy in pediatric practice.

J Endourology. 2002, 16(4):257-260.

3- Percutaneous drainage of perirenal abscess after kidney transplantation: A 4-year experience. Transplantation Proceedings. 2003, 35:2670-2671.

4- Analysis of early complications of live donor nephrectomies.

Transplantation Proceedings. 2003, 35:2557-2558.

5- Laparoscopic adrenalectomy: A report of the first experiment in Iran.

Urology Journal, 2004, 1(2):77-81.

6- Treatment of renal colic using intracutaneous injection of sterile water.

Urology Journal, 2004, 1(3):200-203.

7- An unusual foreign body in the bladder and percutaneous removal

Urology Journal, 2004, 2: 126-127.

8- Renal transplantation in older adults: is graft survival affected by age?

Urology Journal, 2005, 2(2):93-96.

9- Transitional cell carcinoma in children : report of a case and review of the literature.

Urology Journal, 2005, 2(2):120-121.

10- Percutaneous Treatment of Bladder Calculi in Children 5 years Experience.

Urology Journal, 2006, 3(1):20-22.

Persian papers:

1- A case report of bladder stone one & 1/2kg following Ileocystoplasty.
Nameh Daneshgah (Journal of Mazandaran University of Medical Sciences)
2002, 9(25):60-64.

2- Sexual ambiguity and presentation of first case with vanishing testis syndrome from Mashhad University of Medical Sciences. Medical Journal of Mashad University of Medical Sciences. 1999, 42(63):115-118.

3- A rare form of ambiguous genitalia due to 17, 20-desmolase deficiency.
The Iranian Journal of Urology. 1998, 5(19); 63-68.

4- Treatment of impotence with different medication J. of Shahid Sadoughi University of Medical Sciences. 1998, Special Issue: 41-50.

5- Percutaneous nephrolithotomy in pediatric patients.
The Iranian Journal of Urology. 1998, 5(17, 18): 25-29.

6- The report of two years PCN.
The Iranian Journal of Urology, 1998, 5(17, 18):31-37.

7- Non- medical treatment of urinary stones in pregnancy. 5 year experience.
The Iranian Journal of Urology. 2001, 8(30):11-16.

8- Non- ischaemic priapism : comparison between percutaneous treatment and open surgery.
The Iranian Journal of Urology . 2001, 8(30):39-45.

9- Ureteral stones treatment with ureteroscopy and ballistic lithotripsy.
The Iranian Journal of Urology. 1999, 6(23):39-43.

10- Effect of ureteral stenting necessary after uncomplicated ureteroscopy and lithotripsy.
Medical Journal of Mashad University of Medical Sciences. 2003, 46(79): 45-50.

11- Laparoscopic management of impalpable cryptorchid testis.
Medical Journal of Mashad University of Medical Sciences. 2005, 47(86): 389-394.

12-Case report of a urethral leiomyoma in woman with literature review.
The Iranian Journal of Obstetric, Gynecology and Infertility, 2002, 5(2):58-61.

13- External shock wave in treatment of diseases (peyronie's disease).
Nameh Daneshgah (Journal of Mazandaran University of Medical Sciences)
2005, 15(45):92-96 .

14- A Comparision between intravesical chemotherapy and Immunotherapy on
superficial carcinoma of the bladder. Medical Journal of Mashad University of Medical
Sciences. 2006 (under print) .

Books:

- 1- Ahmadnia H., Yonesi M., Golparvar MS., : Urology : a handbook for medical
students. Translation to Persian, 2005.

Research projects:

Finished :

Ahmadnia H., Necoei S., Asl Zare M., : Evaluation of color Doppler ultra
sonography in ureteral obstruction diagnosis and comparison with IVP
findings. Mashad University of Medical Sciences , 2003.

Recruiting :

Ahmadnia H., Imani M., : Effect of cryoanalgesia on post operation pain in Flank
incision and thoracotomy. Mashad University of Medical Sciences , 2003.

Ahmadnia H., Yarmohamadi A., Imani M., : Evaluation of Bromhexin Subcutaneous Administration Effect on Urinary Stones Formation in Rat. Mashad University of Medical Sciences , 2005.

Ahmadnia H., Khojeh Daloei M., Sorosh D., : Use of intravesical temperature as core body temperature following kidney transplantation and compariason with Rectal , Axillary and oral measurement . Mashad University of Medical Sciences , 2004.

Ahmadnia H., Imani M., : Protective effect of captopril and allopurinol against renal warm ischemia reperfusion injury in dogs. Mashad University of Medical Sciences , 2004.

تقدیر نامه ها:

۱- پژوهشگر برتر بالینی دانشگاه علوم پزشکی مشهد در سالهای ۸۱، ۸۲ و ۸۳

۲- عضو شورای پزشکی قانونی
